

Tim Shea

SUMMARY STATEMENT

A dedicated professional with 40 years of basketball related experience in both European and American markets and in a variety of sports organizations on both the Coaching/performance and business/managerial side.

Key Management Qualifications:

As NBA director conceptualized, constructed and maintained a worldwide net of professional scouts. Twelve time participant of NBA Draft process team as experienced player evaluator. Ten years experience in maintaining and distributing an international operational budget.

Present: International Technical Consultant and Basketball Advisor for WinnersFactory (the folks that gave us Ricky Rubio) Barcelona, Spain.

Key Qualifications:

- Adaptability - Managerial and Coaching world-wide.
- Experience - Sound player personnel and analytical skills along with a proven track record in the player personnel decisions column, specifically the conception, construction and coaching of clubs in ACB league Spain and National Champions, Benfica CF.
- Skilled specifically in international basketball operations related to complete coverage and club budget maintenance.

As a professional, a phrase - The game of basketball continues to evolve so we must adapt to it and while basketball play is less about rocket science and more about chemistry, they both live within their own formulas.
